Am. Numismatic Soc. - N.Y.

Dear Sir:

May I become a member  
of the A.N.S. ? I have been  
interested in coins and  
medals for many years  
but have never become  
affiliated with any organization  
of the kind.

I am enclosing \$2.00 which

I understand to be the fee  
for membership.

Sincerely

Louis C. Hetz

Dear Sir:

Your letter of January 14th gave me special pleasure as we are always glad to learn of those interested in our work.

We should be very glad to welcome you as a member of our Society; and I would suggest that you let us have the pleasure of greeting you here in our Museum, so that we may become better informed as to just what are your special interests.

With regard to the annual dues, I regret to advise that you have been misinformed - they are five dollars rather than two dollars. Membership in our Society would entitle you to receive all our publications as well as anything we may be able to do to aid you in your collecting or study of coins and medals.

Very truly yours,

Secretary

Dear Sir:

Your application for Membership in our Society was placed before the Council at the meeting which was held yesterday, and you were unanimously elected.

You will recall that you forwarded to us a cheque for Two Dollars only while our annual dues call for Five Dollars. If you still wish to become affiliated with our Society, will you kindly send us the additional three dollars; otherwise, we will return your cheque which we are now holding.

Trusting that we may include your name in our list of members and that we may be of service to you in numismatics, I am,

Very truly yours,

Secretary
